**SKYLER ELYSE PHILPOT Interview**  
**Project: *Finding Love in Mountain View***

**How would you describe the plot of this project?**

The plot of this project is where 2 kids' parents die and they have to gain trust of their mom's old friend.

**What was your fondest memory from working on the project?**

My fondest memory from working on the project is where Myko, Danielle, Luke and I would play the mind melding game between scenes.

**Were there any cool locations or sets that were fun/different/strange?**

One cool location/set that was fun/different was the rock area where production made it into a cave and fake rain from a water hose!

**Do you recall any particular memories with castmates or crew that were impactful?**

Another fun memory with castmates was in the scene where Myko found Danielle's purse that she left, we all pretended that he had a "man-purse".

**If you were to produce a sequel or a continuation of this project, what would that be like?**

If there was to be a sequel of this project it would have to be *A Wedding in Mountain View*, where Danielle and Myko's characters get married.

**What do you love most about the Entertainment Industry?**

What I like most about the Entertainment industry is getting to meet new people and make new friends.
